WATER CONSERVATION MEASURES

As a reminder of the Town's water conservation goals, pursuant to the Water Rates and Regulations Bylaw No. 1439, Stage 1 Water Restriction will remain in effect until further notice.

STAGE 1:

1. Watering of lawns only during the hours of **6:00 p.m. to 10:00 p.m.** on the following schedule:
 - (a) **Odd** house number addresses may water on **Sundays, Tuesdays and Fridays;**
 - (b) **Even** house number addresses may water on **Mondays, Thursdays and Saturdays.**
2. **No watering on Wednesdays** in order to replenish the reservoirs; and
3. Swimming pools shall not be filled.

NOTE: The above pertains to the watering of lawns only. Stage 1 does not place any restrictions on garden watering (**except for Wednesdays**).

Violations of the above restrictions will result in the supply of water being turned off without notice, and further, shall not be turned on until the water turn-on fee is paid as set out in Schedule "C" of Water Rates and Regulations Bylaw No. 1439.

The Town of Creston appreciates the efforts of all our residents who are helping to conserve our precious water resources.

The Town and RDCK have been accepted to partner with the Columbia Basin Trust in their Water Smart initiative in the fall of 2010. http://www.cbt.org/pdfs/CBT_WaterSmart_FactSheet.pdf

Further updates will be provided as the program progresses and citizens will be invited to partake in open house discussions regarding water conservation within the Valley.

If you require more information, please call the Town of Creston Works Department at 250-428-2214, ext. 222.
